

APPENDIX 1

SCOTTISH FIRE AND RESCUE SERVICE PERFORMANCE REPORT 2016 TO 2017 (ANNANDALE AND ESKDALE)

1. Purpose of Report

The purpose of this report is to provide members of Annandale and Eskdale Area Committee with an update in respect of Scottish Fire and Rescue activity within the Annandale and Eskdale Area of Dumfries and Galloway and how this activity measured against agreed priorities for the period 2016-17.

2. Recommendations

Members are asked to: (1) Review the Performance Report as detailed in **Appendix 2**, and (1) consider whether the actions proposed are adequate to improve performance and future monitoring of these areas; and (2) recognise areas of good practice/high performance.

3. Considerations

Annual Progress Update

3.1 The Service has identified 10 indicators for scrutiny at an Area Committee level. The Performance Report, attached as **Appendix 2**, details the current position. This report has a covering commentary describing actions currently underway to ensure continuous improvement or to address underperformance.

3.2 The Performance Report, attached as **Appendix 1**, consists of:

- All deliberate primary fires
- All deliberate secondary fires
- All accidental dwelling fires
- All accidental other building fires
- All fatal fire casualties
- Non-fatal fire casualties (excl. precautionary checkups)
- Special Service - RTCs
- Special Service - fatal & non-fatal casualties
- False Alarm - Malicious
- False Alarm - Equipment failure

4. Governance Assurance

The Local Senior Officer Management Team has been consulted and is in agreement with the information contained in this report.

5. Impact Assessments

As this report does not propose a change in policy, the formal adoption of a plan, policy or strategy it is not necessary to complete an Impact Assessment.
